

Postcard from my teacher

Dear Nursery,

I hope you have had a good week?

I have had a busy week at school. Monday and Tuesday I was
With year 5 children. Then Thursday and Friday I am with a
Small group of reception children. It is very strange being in
School as it is not normal school.

It has been sooo hot this week! We were very tempted to run
Through the sprinkles that our watering the field.

Some of the reception children have helped me with the
Gardening. A lot of the plants have died as they have not had
Enough water. I have now asked the children to remember to
Water the plants everyday.

When I was at home I made a 3 layer rainbow cake. I covered
It in buttercream icing! It was delicious even if it looked a bit
Wobbly haha!

Stay safe and I miss you all lots and lots!

Love Miss Andrews xxxx
