

Postcard from my teacher

Dear Beech,

I hope you are enjoying your extra time at home with your families, and the chance to do new things and learn in different ways. I'm very much looking forward to hearing all about the exciting things that you've been up to when I see you next!

I have been making the most of the lovely sunshine by pottering in the garden and, when it's warm enough, I sit outside to read. I'm also trying to keep myself fit by doing an online yoga class. I know lots of you enjoyed yoga when you did it in school.

I am missing the school routine and seeing you all, but it's great to be able to slow down and to spend more time with my family.

Take care of yourselves and those around you.
