

Postcard from my teacher

Dear Beech,

Thank you to everyone who has sent in photos, emails and copies of the work which they have been doing at home. I have really enjoyed looking at them all, and seeing the wide variety of things that you have been doing! I read an excellent recount of the Perseus myth and found the illustration of Medusa with her snake hair very scary! I'm really looking forward to seeing some of the mythical creatures which you've been creating this week. I'm also pleased to hear that you have been helping your parents with activities like gardening. There's clearly a lot of hard work and learning going on in your homes!

I'm still doing my online course. It's probably easier for us all to stay indoors and study now that the weather has turned cooler and wetter. The weather has also meant that we no longer had any excuse to put off re-decorating our bedroom. It's taken a while - I stripped off the old wallpaper a year ago!

Have a great week! Mrs Duerden
