

Postcard from my teacher

Dear Beech,

I hope you have had a good week. I know that some of you were busy baking and making bunting to mark the anniversary of VE Day, so I hope that your celebrations went well and that you had a good time.

I have been busy studying this week and I have finally finished my distance learning course on autism. I have enjoyed the course and I found it very interesting, but it is good to be finished so that I am free to focus on preparations for the re-opening of school.

I was up early this morning to visit my local garden centre as soon as it opened. I am not a very good gardener, but I do like to grow some colourful plants in pots and baskets across the summer months. I'm not green-fingered enough to grow the plants from seed, so I usually buy seedlings and pot them up. Fortunately, I managed to beat the crowds and I will spend this afternoon planting an array of Busy Lizzies and petunias.

Have a good week and keep safe. Mrs Duerden
