

Postcard from my teacher

Dear Beech,

I hope you are all well and that you have had a great week. I went for my first 'meal out' since Lockdown. It was a real treat not to have to do the cooking or the clearing up!

I've also continued to potter in my garden. In general, I'm quite pleased with my planters, but those sunflower seeds which I planted in early April have only grown into very small seedlings so far! (See the photo)

I hope you and your families are looking forward to the holidays. This is my last postcard before the summer break, but do look out for the end-of-term video messages that we will be posting on the school website.

I don't think I'll be going away so, like many people, I'll have my fingers crossed that the warm weather returns to the UK. Whatever you do, I hope you have lots of fun as well as some time to relax and re-charge. I look forward to seeing you all looking happy and refreshed in September.

Stay safe and have a wonderful break,

Mrs Duerden
