

Postcard from my teacher

Dear Chestnut,

I hope you are all well and have been enjoying the sunshine.

I have been spending a lot of time in my garden and at the weekend we made vegetable planters. My 2 sons Mason (7) and Oakley (3) planted carrots, peas and lettuce. I will let you know how they go! They have also made rainbows to stick in the window - have you made one yet? I am making sure I do my exercise each day and have been joining in with the Joe Wicks PE lesson which wakes me up for the day! We have also been baking and have made jam fairy cakes and flapjacks. I had 3 emails from the care homes you wrote to thanking you for your lovely letters. They really cheered the old people up 😊 Perhaps you could write to them again and tell them what you have been doing at home? I will write again soon.

Love Mrs Wragg
