

Postcard from my teacher

Dear Chestnut,

What a fabulous class you are! Thank you so much for sending in pictures of the exciting things you've been doing at home. I've really enjoyed looking at the beautiful flowers, the amazing information posters and the fantastic displays about contractions. You've even inspired me to go on a nature hunt with my son.

What do you think we'll find?

Please keep sending pictures and examples of your activities as they're all just so wonderful!

Take care and I will write again soon,

Miss Smith
