

Postcard from my teacher

Dear Chestnut,

I hope you are all well and have managed to get outside to enjoy some of the wonderful weather we've had this week. I have started going to Virginia Waters with my son Alex; he loves collecting pine cones and pointing at all the dogs!

Yet again, I am so delighted to have received examples of your work this week. You've sent me tricky riddles and descriptive elf stories. I've even received an exquisite drawing of a wild horse and an amazingly informative video on Viking ships! Outstanding!

Stay safe, enjoy this time with your family and I will write again soon!

Miss Smith
