

## Postcard from my teacher

Dear Chestnut,

How are you all, did you have a nice half term? Mason, Oakley and I made the most of the sunshine and had a breakfast picnic in the park one day followed by an afternoon in the paddling pool. We also met Miss Green for a walk (socially distanced of course) at Burnham Beeches with her dog Bella and our dog Arthur. Bella was a bit naughty and ran away so had to stay on her lead for most of the walk! It has been wonderful to receive more of your work - I have especially liked seeing the Viking Longboats you have made and was amazed to see one that was big enough to sit in! I also received an extremely interesting diary from a member of our class which showed and explained how caterpillars turn into butterflies. I think I would like to buy one of these kits as it looked fascinating. Anyway children, that's all for now. Keep enjoying the sunshine and stay safe.

Love Mrs Wragg
