

Postcard from my teacher

Dear Chestnut,

How are you all? My goodness has it been hot this week! I hope you've all been having some fun in the sun and have also been safe by wearing hats and sun cream. Most of my time has been spent out in the garden, playing in the paddling pool with Alex and doing gardening. The sunshine is definitely helping the potatoes and garlic grow. I'm also reading a book at the moment called 'The Hobbit'. What are you reading? Thank you again for sending in examples of your work. On top of your maths and English, I have read a great riddle about a hammer head shark, saw an intriguing design for a futuristic car which included a popcorn machine and have also seen some simply fabulous self-portraits. Missing you all greatly and will write again soon. Stay safe and happy!
