| Hobbies and interests          | I have always enjoyed sport, playing both Hockey and Rugby at an international level but now to keep active I love climbing with my daughters and open water swimming                                                                                                                                                                             |
| Links to the school/area       | I live in Datchet and currently have 3 children at Datchet St Marys                                                                                                                                                                                                                                                                               |
| Why did you become a governor? | I wanted to be a parent governor because, with three children at the school, I am deeply invested in its success and community. I aim to apply the strategic, customer centric and financial knowledge I've developed in my career to help support the school's growth and ensure it remains a positive and thriving environment for all students |
